Greetings from the Chair of ASCI School and Director of ASCI Joint Symposium

Prof. Jongmin Lee
Chair ASCI School

On behalf of the Asian Society of Cardiovascular Imaging (ASCI), it is a great pleasure for us to hold ASCI Joint symposium with Taiwan Radiological Society.

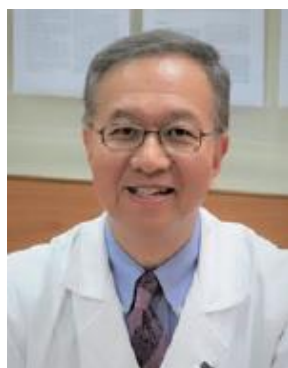

After the foundation in 2006, the ASCI has grown by leaps and bounds based on the devotion of many excellent leaders and members. For concentrating ASCI's academic resources and for more efficient conduction of ASCI's academic activities, an ASCI's sub-organization, the ASCI School is founded in 2018. One of the ASCI School projects is 'Joint Symposium', which is to enrich chances of international lecture for ASCI speakers and promote the appropriate use of cardiac imaging in Asian countries.

We hope this symposium will be a great opportunity to update the latest knowledge for all participants. We especially thank the Taiwan Radiological Society for their warm hosting of this symposium. We wish both societies much progress in the future.

Prof. Kakuya Kitagawa
Director ASCI Joint Symposium

Greetings from the TRS President

Prof. Wing P. Chan
President of TRS

Dear Colleagues,

It is my great pleasure to welcome all of you to the 2021 Cardiac CT Educational Course: TRS, SCCT.TW, ASCI-Joint Symposium. I believe this Cardiac CT Educational Course will advance our knowledge bases and provide inspiration for our future practices. In addition, the course will allow to facilitate academic collaboration between the ASCI and the TRS. On behalf of the TRS, I would like to express my appreciation to the ASCI for making this event happen. Based on mutual understanding, the ASCI and the TRS have enjoyed a close friendship for many years. I would also like to extend my thanks to all of the ASCI speakers for their contributions. Without their enthusiasm, expertise, and dedication, this joint symposium would not be possible. Finally, we are looking forward to seeing old and new friends online. I wish that you all enjoy yourselves and that we have a fruitful meeting. Thank you!
