

ASCI Joint Symposium with Vietnamese Society of Radiology and Nuclear Medicine

August 20th, 2022

Hanoi, Vietnam (Hybrid)

**Hosted by the Vietnamese Society of Radiology and Nuclear
Medicine (VSRNM)**

Program

Date: August 20 (Sat.), 2022 | Venue: Hybrid at National Convention Center, Hanoi

VSRNM Meets ASCI

Moderators: Dr. Hoang Minh Loi, Dr. Hajime Sakuma

Time (Local)	Title	Speaker (Dr.)
10:30-10:50	MRI for perfusion and viability assessment	Hoang Minh Loi
10:50-11:10	Coronary MRI	Hajime Sakuma
11:10-11:30	Calcium score update	Johann Christopher
11:30-11:50	Coronary CTA	Chul Hwan Park
11:50	Discussion	

Greetings from the Chair of ASCI School and Director of ASCI Joint Symposium

Prof. Jongmin Lee
Chair ASCI School

On behalf of the Asian Society of Cardiovascular Imaging (ASCI), it is a great pleasure for us to hold ASCI Joint symposium with Vietnamese Society of Radiology and Nuclear Medicine (VSRNM).

After the foundation in 2006, the ASCI has grown by leaps and bounds based on the devotion of many excellent leaders and members. For concentrating ASCI's academic resources and for more efficient conduction of ASCI's academic activities, an ASCI's sub-organization, the ASCI School is founded in 2018. One of the ASCI School projects is 'Joint Symposium', which is to enrich chances of international lecture for ASCI speakers and promote the appropriate use of cardiac imaging in Asian countries.

We hope this symposium will be a great opportunity to update the latest knowledge for all participants. We especially thank the VSRNM for their warm hosting of this symposium. We wish both societies much progress in the future.

Prof. Kakuya Kitagawa
Director ASCI Joint Symposium

Greetings from the VSRNM President

Dr. Pham Minh Thong
President of VSRNM

On behalf of the Vietnam Society of Radiology and Nuclear Medicine, I would like to warmly welcome you to the 23rd Vietnamese Congress of Radiology and Nuclear Medicine (VSRNM 2022) and the 60th Anniversary of the Society's establishment on August 19 - 20, 2022 at the National Convention Center – Me Tri, Nam Tu Liem, Hanoi.

After the success of the 14th Online Congress of ASCI was held for the first time in Vietnam, we would like to welcome invited speakers from ASCI to join us onsite and online for the Joint Session: "VSRNM meets ASCI" for the first time. We believe that, through this event, every delegate will receive valuable cardiovascular imaging information for their professional career.

We hope this symposium will help connect our local cardiovascular imaging radiologists and ASCI experts for better management of the patients. We highly appreciate the support from the ASCI office and ASCI School. We do hope that both societies will strengthen their cooperation and have other academic events in near future.

Profiles of ASCI Speakers

Dr. Hajime Sakuma

Professor and Chairman, Department of Radiology
Deputy Director, Mie University Hospital
Vice President, Mie University, Japan
sakuma@med.mie-u.ac.jp

Dr. Johann Christopher

Director of Cardiac Imaging, Department of Cardiology
CARE INSTITUTE OF MEDICAL SCIENCES, India
johann1403@gmail.com

Dr. Chul Hwan Park

Assistant Professor, Department of Radiology
Gangnam Severance Hospital, Yonsei University College of
Medicine, Korea
park_chulhwan@yuhs.ac

Profile of VSRNM Speaker

Dr. Hoang Minh Loi

Associate Professor,
Hue University of Medicine and Pharmacy; Hue Central Hospital
